TO WHOM IT MAY CONCERN:

Grant County District 2 is taking fax quotes for a force account low water crossing to be built in Grant County, located on County Road 1080 between Comanche Road and Cotton Road and has no identified County Bridge Number. This quote is being solicited per Oklahoma Statute Title 61, §101-138 – Construction project \$50,000 and under.

The new low water crossing will be 30 feet long, 22 feet wide, with an 8-inch double mat concrete deck. The concrete shall be Class AA 4000 # per ODOT specifications. Concrete and concrete finishing is to be included in this bid.

Pre-Bid meeting to review and answer any questions will be held at the District 2 Shop located at 524 N. Front Street in Medford, OK on Tuesday May 9 at 9:00 a.m. (This is not a required meeting to bid on the project)

Bid #1 is to include demolition of current crossing (county will haul the debris off with the contractor loading the county trucks). Contractor is to shape and layout the crossing to insure proper water flow over the structure during high water tides.

Bid #2 is the same, except County will do the demolition and shape and layout the crossing.

Forms for structure will be drive in sheeting and is to be driven in approximately 5 feet below water flow.

Materials supplied by Grant County include drive in sheeting, #4 rebar, chairs (for double mat) and ties. Structure to be started and finished in the next 30 to 90 days after acceptance of bid.

Please quote all labor and equipment as well as the concrete and concrete finishing for this low water crossing

Quotes are a “turn-key” job (all inclusive of above specifications):
