Medford, OK – On March 7, 2017 SemGas made a donation in the amount of \$7,800.00 to the Grant County LEPC for the purchase of handheld radios. The donation was presented by Logan Junghanns, an employee of SemGas and member of the Grant County LEPC. Brandon Fetters accepted the donation on behalf of the LEPC.

“This donation will afford us the ability to better communicate during emergencies. They will also help us to better care for our community and work together with other entities. This donation was greatly needed and very much appreciated.” Brandon Fetters, Grant County Emergency Management Director and LEPC Vice Chairman.

Radios

The handheld radios will be used for communication purposes during emergencies and response situations.

The radios have been purchased and are now being used in this capacity.
